

**Attention Candidates of Combined Graduate Level Examination, 2015
(Tier-I), 9th August 2015 – Morning Session**

It had come to notice of the Commission that a particular series of Question paper booklets distributed in the Northern Region (in cities other than Delhi) had some printing errors. The Commission had decided to call such candidates for a re-examination on 30th August, 2015 in Forenoon Session, who had actually appeared and had such errors in the Question booklets provided to them.

Such candidates were requested to give their details including the scanned copy of the relevant page/s of the booklet with clear mention of the Test Form No. and other details, so as to enable the Commission to establish veracity of such claims and if found correct, issue fresh admit cards for the re-examination.

Based on the representations as well as supervisor's irregularity report, a list of such candidates have been prepared and placed on the web-site. The re-examination for those candidates will be held on 30.08.2015 (Sunday) at Delhi and Jaipur Centre only.

In case it is found that any candidate has misrepresented, the Commission reserves the right to take appropriate action.

If a candidate does not appear in the re-examination, his/her OMR sheets of the examination held on 09.08.2015 will be evaluated.
