

**STAFF SELECTION COMMISSION**  
**DATA ENTRY OPERATOR EXAMINATION, 2009**  
**DECLARATION OF WRITTEN RESULT**

The Staff Selection Commission had conducted an open competitive examination for the recruitment to the post of Data Entry Operator on 02.08.2009 on all India basis.

2. Following is the list of 2318 candidates, in roll number order, (together with respective category and name) who have qualified in the written examination for the post of Data Entry Operator and are eligible for being called for the Skill Test in Data Entry Speed on Computer.

3. The cut-off fixed by the Commission for calling the candidates for the skill test in Data Entry on Computer, the number of vacancies reported by the user department and the number of candidates available for skill test are also indicated below :-

CATEGORY	UR	SC	ST	OBC	EXs	OH	HH	VH(Low Vision)	Total
Number of vacancies	202	60	30	108	40	04	04	04	400
Cut-Off Marks	152	136	130	148	117	130	130	130	
Number of Candidates Available for Skill Test	728	311	158	721	280	106	06	08	2318

(Vacancies, indicated under the VH, HH, OH & EXS categories, are horizontal, hence not included in the total).

4. Candidates may note that as per "Notice" of the examination and instructions given in the answer sheets, they were required to code / write their particulars correctly and sign answer sheets. Such answer sheets which are without signature and where particulars such as name, roll no., ticket no. and Test Form No. have been written and / or coded incorrectly, have been rejected / awarded 'ZERO' marks.

5. The list herein is PROVISIONAL. The candidates whose Roll Numbers figure in the list would be called for the Skill Test subject to their fulfilling all the eligibility conditions / requirements as prescribed for the post in the Notice of Examination and also subject to thorough verification of their identity with reference to their photographs, signatures, handwritings, etc., on the application forms, admission certificates, etc. If on verification from the application form, it is found that a candidate does not fulfill any of the eligibility conditions, he / she will not be called for the Skill Test.

6. The category status in respect of candidates belonging to reserve categories has been indicated along with their roll numbers. It is important for such candidates for whom certain percentage of vacancies are reserved as per the policy of the Government, to note that some of them might have

been declared qualified for the Skill Test in the category mentioned against their roll numbers. If any candidate does not actually belong to the category mentioned against his / her roll number, he / she may not be eligible to be called for the Skill Test. It is, therefore, in the interest of the candidates concerned to contact immediately the respective Regional Office of the Commission in all such cases where they do not belong to the category shown against their roll numbers.

7. Schedule for holding the Skill Test on computer will be available on the Commission's Website shortly. In connection with the said Skill Test, which will be of qualifying nature, the following points are brought to the specific notice of the candidates;

- a) The Data Entry Speed Test on computer will be given on running text matter in English ;
- b) Duration of the said test will be 15(fifteen) minutes and a printed test passage containing about 2000-2200 strokes / key-depressions would be given to each candidate who would enter the same in the computer ;
- c) The 'speed of 8000 key depressions per hour in computer' will be adjudged on the basis of the correct entry of all the key depressions in computer as per the given test passage ;
- d) Only such candidates who qualify in the Skill Test at a speed of not less than 8000 key depression per hour will be eligible for being recommended for appointment as per their position in the merit list ;
- e) None of the candidates including PH candidates who qualify in the written part of the examination will be exempted from the Skill Test as passing of the Skill Test is a precondition and one of the essential qualifications for appointment to the post of Data Entry Operator ;
- f) The computer will stop accepting data entry as soon as a candidate commits an error in data entry and will start accepting further data entry only after the error has been corrected by the candidate. To alert the candidate that he has committed an error which would need correction, the computer will give a sound signal ;
- g) Candidates will comply with such other and / or further directions as may be given to them along with the Admission Certificates for the Skill Test or in the Test Room.

8. The result is also available on the Commission's website : <http://sscresults.nic.in>.
