2. The date and time for opening of the Technical Bids is given on the first page of this document.
3. The Bidders may depute their representatives for the Technical Bid opening event.
4. The Technical Bids will then be evaluated by SSC, internally
5. Once the Technical Bids are accepted, the Commercial Bids of the Vendors (whose Technical Bids have been accepted) shall be opened, the date for which shall be communicated to the Vendors through e-mail/phone. At this stage, Reserve Price of Commodity, which has already been decided by the Commission will also be consulted.
6. If any Vendor so desires, it may depute its representative for Commercial Bid opening event also.
7. **The Highest bidder will be arrived at by calculating the total cost of all the material. The Highest bidder will be awarded the Contract for lifting of the material. However, if the rate quoted by the Highest bidder is found to be less than the Reserve Price, Commission may not award the contract and the Tender may be cancelled.**
8. The decision of the Chairman, SSC shall be final and binding.

## 8 SEARCHING FOR TENDER DOCUMENTS

- 8.1 There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
- 8.2 Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective „My Tenders“ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 8.3. The bidder must make a note of the unique Tender ID assigned to each tender; in case they want to obtain any clarification / help from the Helpdesk.

## 9. PREPARATION OF BIDS

- 9.1 Bidder must take into account any corrigendum published on the Tender Document before submitting their bids.
- 9.2. Please go through the Tender Advertisement and the Tender Document carefully to understand the documents required to be submitted as part of the Bid. Please note the number of covers in which the Bid Documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 9.3 Bidder, in advance, must get ready the bid documents to be submitted as indicated in the Tender Document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid Documents may be scanned with 100 dpi with black and white option.
- 9.4 To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

## 10. SUBMISSION OF BIDS

- 10.1. Bidder must log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 10.2 The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 10.3. Bidder has to select the payment option as “offline” to pay the tender fee/EMD as applicable and enter details of the instrument.

- 10.4 Bidder must prepare the EMD as per the instructions specified in the Tender Document. The original must be posted/couriered/given in person to the Tender Processing Section, latest by the last date of bid submission or as specified in the Tender Documents. The details of the DD/any other accepted instrument, physically sent, must tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 10.5 Bidders are requested to note that they must necessarily submit their Bids in the format provided and no other format is acceptable. If the Price Bid has been given as a standard BoQ format with the Tender Document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white colored (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells must be changed. Once the details have been completed, the bidder must save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the Bid will be rejected.
- 10.6 The server time (which is displayed on the bidders" dashboard) will be considered as the standard time for referencing the deadlines for submission of the Bids by the bidders, opening of Bids etc. The bidders must follow this time during bid submission.
- 10.7 The uploaded Tender Documents become readable only after the tender opening by the authorized bid openers.
- 10.8 Upon the successful and timely submission of Bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the Bid with all other relevant details.
- 10.9 The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
