

NOTICE

IMPORTANT INSTRUCTIONS TO ALL CANDIDATES OF JUNIOR ENGINEER EXAMINATION 2016 (PAPER-I)

The Staff Selection Commission is going to conduct Junior Engineer Examination 2016 (Paper-I) in the Computer Based Mode from 1st March to 4th March 2017. Candidates are advised to read the instructions carefully and follow the same strictly.

The Questions of this examination will appear in the following sequence:-

- (a) Questions related to PART-A (General Engineering–Civil & Structural), PART-B (General Engineering–Electrical) and PART-C (General Engineering– Mechanical) depending upon candidate's choice filled at the time of registration will appear first.
- (b) Questions related to (i) General Intelligence & Reasoning
(ii) General Awareness will appear after that.

Candidates must ensure at the start of the Examination that their choice of stream (Civil & Structural / Mechanical / Electrical) filled at the time of registration is appearing correctly on their Computer screen. Any discrepancy, if observed, must be brought to the notice of the Examination conducting officials available at the venue immediately.
